

MEMORANDUM FOR: Colonel White

21 January 1954

25X1A

1. Recommend approval of this modification to the Administrative Plan for Project [REDACTED]

2. I have no knowledge of the details of the previously approved plan and have not reviewed it. However, this amendment is to correct an obvious error in the original plan in that it imposed a budgetary control obligation upon the Officers and Directors of a cover company who have no actual control over expenditures.

3. Accordingly this budgetary control provision belongs in the control portions of the Administrative Plan itself and not in the Letter of Instructions to Officers and Directors delimiting their nominal authorities and responsibilities.
